Easy to Get Started

HOW TO INVEST :

Create a Lentrade Account

Right on our website's homepage accessed through <https://lentrade.org>, click on the "Create Account" button to create an account or use the link <https://lentrade.org/account/register> to create an account.

Go through our Investment Plans

Login your account (<https://lentrade.org/account/login>). Right on your dashboard, look for the menu section > investments > Invest in crypto. Go through our investment plans.

Deposit and Invest

Choose your preferred investment plan, click the "Invest now" button and proceed to checkout / deposit.

Withdraw profit

After successful deposit and investment, you will be eligible to start earning your mining profits. You can withdraw your profits anytime.

You can view more information about your investment plan(s) such as when next / time to expect a return, date of your investment, deposit history, withdrawal history and lots more via your dashboard menu options.

Need help ? Kindly chat our Live Support Agent via the livechat widget on our website.

Honest Reviews from our Clients

LISA SMITH

I can boldly boast of Lentrade LLC anywhere as a trusted and a reliable investment firm. I've been an investor with Lentrade LLC since 2016 till date.

I have made millions of dollars. Had to refer lot of my friends to this great platform. Can't enjoy this alone.

Thank you Lentrade LLC!

USA

REBECCA LIO

Lentrade LLC made me a millionaire. Been an investor with the company for the past 5 years and it's been a great experience till date. I hope they stay forever. I have submitted a resignation letter from my place of work. I'm now made.

USA

AHMAD SHARIF

I've lost alot of money via investment platforms but lentrade LLC is truly an exception. My joy is that I have recovered more than the money I have lost online via numerous investment platforms and even more than twice my capital here at Lentrade LLC.

Lentrade LLC rocks!
